

Ministry of Health of Ukraine
P.L. Shupik National Medical Academy of Postgraduate Education (NMAPE)
Association of Clinical Chemistry and Laboratory Medicine of Ukraine

PROGRAM
of the Scientific & Practical Conference with International Participation
"Innovative directions of development of laboratory medicine"
within the framework of the X International Exhibition LABComplex
(October 17-18, 2017, Kyiv)

The event is included into the Register of Conventions, Congresses, Symposiums, and Scientific & Practical Conferences to be held during 2017 approved by the National Academy of Medical Sciences of Ukraine and the Ministry of Health of Ukraine.

October 17, 2017

10:00-10:30	Registration of participants
	Conference Hall No. 6
10:30-10:45	Congratulations to the participants: Ministry of Health of Ukraine NMAPE ACCLMU
	First Plenary Session
	Co-Chairs: Prof. Lunyova G.G.; Kheilomskiy O.B.; Deyev V.A., Ph.D.
10:45-11:05	1. Processes implementation into the medical laboratory activity in accordance with the international standards requirements. Experience of laboratory preparation to the international standards implementation. <i>Cherkashina S.M. - Head of the Medical Diagnostic Laboratory at the Pr.C. "Medikom Clinic", Kyiv, Ukraine</i>
11:05-11:50	2. Experience in implementation of the ISO 15189 international standard into ALAB-laboratoria medical laboratory activity. <i>Ursula Vent - chief quality assurance expert at the ALAB-laboratoria, Warsaw, Poland.</i>
11:50-12:20	3. Experience in approbation of the recommendations concerning the requirements for the accuracy of clinical laboratory tests in Ukraine. <i>Procenko V.M. - Assoc.Prof. of the Department for forensic medical toxicology and clinical biochemistry at the Kharkiv Medical Academy of Post-Graduate Education (KhMAPE), Kharkiv, Ukraine.</i> <i>Ivko A.G. - Head of the Laboratory "Scientific & Methodical Center of the Service for Standard Samples of Composition and Properties of Substances and Materials" at the NSC "Institute of Metrology", Kharkiv, Ukraine.</i> <i>Novikova I.V. - Ph.D., Head of Clinical Laboratory at the Regional Clinical Hospital "Center of Emergency Medical Care and Disaster Medicine", Kharkiv, Ukraine.</i>

12:20–13:20	4. The economic efficiency of standardization and of improvement of the quality at the preanalytical stage. <i>Dr. Sumedha Sakhni - Medical Director of the Department for the Pre-analytic Systems of the EMA Region (CIS, Middle East. and Africa), Dubai, UAE.</i>
13:20–14:00	Break. Exhibition tour
	Second plenary session
	Co-Chairs: Assoc.Prof. Vyunytska L.V., Assoc.Prof. Yastremska O.O.
14:00–14:20	5. Centralization - Myth or Reality? <i>Red'ko N.O. - Chief Freelance Consultant for clinical laboratory diagnostics of children's population of the Department of Health of the Kyiv City State Administration, Kyiv, Ukraine.</i>
14:20–14:50	6. Centralization of laboratory tests using Sysmex laboratory instruments. <i>Dr. Alexandra Moroz - Research Advisor of the Medical Science Department at the Sysmex Europe GmbH, Germany.</i>
14:50–15:50	7. Siemens Healthineers: Approach to Total Lab Automation. <i>Josef Riegelhofer - Expert Specialist at the Siemens Healthineers, Germany.</i>
15:50–16:25	8. Modern possibilities of laboratory monitoring of anticoagulant therapy. <i>Marchenko I. - Medical Expert on Hemostasis at the Instrumentation Laboratory, Kyiv, Ukraine.</i>
16:25–17:00	9. Clinical and economic aspects of modern diagnostics of critical conditions. <i>Stavtsev M. - Medical Expert on Critical Conditions at the Instrumentation Laboratory, Kyiv, Ukraine.</i>

October 18, 2017

	Conference Hall No. 6
	Third Plenary Session
	Co-Chairs: Assoc.Prof. Zavadecka O.P., Assoc.Prof. Oliynyk O.A.
10:00-10:20	1. Cord blood banks: standards of quality and safety for donation, harvesting, control, processing, preservation, storage, and distribution of human tissues and cells. <i>Tanasiychuk I.S. - Ph.D., Director of the Bank for Cord Blood and Other Human Tissues and Cells at LLC "Medical Center "Hemafond", Assist. of the Department of Clinical Laboratory Diagnostics at the NMAPE, Kyiv, Ukraine.</i>
10:20-11:20	2. Quality assurance of medical laboratory tests. <i>Monica Hömann - Expert on Hematology and Quality Control at the Sysmex Europe GmbH, Germany.</i>

11:20-11:40	3. Applications of standardized erythrocytes sets and "Grupotest" solutions to control the quality of immunohematological tests. <i>Martynenko T.S. - Head of the Department for Laboratory Tests at the Kyiv Regional Blood Center.</i>
11:40-12:05	4. Laboratory diagnostics errors in hematology. Automated blood analysis: interpretation of results and possible deviations. How to choose the right hematology analyzer. <i>Polovkovich S. - Ph.D., post-doc student at the Lviv Polytechnic National University, Products Expert at LLC "Diameb", Lviv, Ukraine.</i>
12:05-12:30	5. Innovative approaches in multiparameter ELISA tests <i>Nikorak M.Z., Shenichna I.V. - Scientific Experts at the LLC "Diameb", Kyiv, Ukraine.</i>
12:30-13:00	6. Fully automatic chemiluminescent immunoassay technology: how can this help to increase the clinical efficiency in laboratory diagnostics? <i>Stefano Pastori - Expert in Clinical Chemistry and Molecular Biology, Snibe, China.</i>
13:00-14:00	Break. Exhibition tour.
	Fourth Plenary Session
	Co-Chairs: Assoc.Prof. Fedorova T.T., Assist. Krivenko E.O.
14:00-14:30	7. Molecular allergy diagnostics - a new approach to the diagnostics of allergy. <i>Pshenichna I.V. - Ph.D., Head of Laboratory at the LLC "Laboratory "Forpost", Assist. of the Department of Clinical and Laboratory Immunology and Allergy at the NMAPE, Kyiv, Ukraine.</i>
14:30-15:00	8. Modern approaches to family planning in patients with genetic pathology in the context of the achievements of laboratory medicine. <i>Mykytenko D. O. - Ph.D., Head of Laboratory of Molecular Diagnostics at the Laboratory "Nadiya", Kyiv, Ukraine.</i>
15:00-15:30	9. Cytogenetic studies of spontaneous abortions after cycles of auxiliary reproductive technologies. <i>Pylyp L. Ya. - Ph.D., Head of Cytogenetic Laboratory at the Laboratory "Nadiya", Kyiv, Ukraine.</i>

	Conference Hall No. 2
13:30-16:00	General Assembly of the Association of Clinical Chemistry and Laboratory Medicine of Ukraine (ACCLMU).
